THE ROMANCE OF CURE!

The many evidences of extraordinary cures that are daily reported as effected through DR. RADWAY'S

Ready Relief and Perfect Purgative Pills, in written testimonials from all parts of the world, surpass in wonder the most extravagant miracles of enchantment. Physicians and medical men in all countries pronounce these wonderful remedies a mystery, that neither their science of analysis or chemical skill can explain. True, these medicines effect the most marvelous cures, and restore the dying to life, and relieve the most wretched pain-suffering victim of his tortures, in from one to teenly minutes, and although they know some of the ingredients of their composition, and Dr. Radway has published their formula (withholding only two newly discovered roots), still Radway has published their formula (withbolding only two newly discovered roots), still
both French, German, English and American
chemists and pharmaccutists utterly fail with
the same ingredients as prepared by them. The
great success, which these wonderful remedies
are constantly achieving, lies in the great secret of combining the ingredients together,
after exercising due care in selecting the pure
and genuine roots.

Such wonders of Modern Chemistry as the SARSAPARILLIAN RESOLVENT, READY RELIEF & RADWAY/S PHLIS, are without parallel in the History of Medicine, for there are some infirmities and diseases that are considered as incurable, and sure death. Yet the most astounding cures have been made thro' these remedies of some diseases that have never been known to be cured by medicine. these remedies of some diseases that have never been known to be cured by medicine.

CONSUMPTION, SCROFULA, WHITE SWELLING, Tumors in the Womb, Stomach, Ovaries, Bowels, Bright's Disease of the Kidneys that have been pronounced incurable, Cancers, Ulcers, Swellings, Stone in the Bladder, Calculous Concretions, Ulcers and Sores of the Bones, Rickets so deeply seated that no other medicines have been known to reach, have been cured by the SARSAPARILLIAN RESOLVENT, aided by the READY RELIEF and PHLLS.

Palsy, Paralysis, Dry Gangene—that threatens a living death—daily rotting away of the limbs and fiesh—Diabetes, Involuntary Discharge of Water, Fungi in the Bladder (the Emperor Napoleon's disease), Torturing pains when discharging urine, RHEUMATISM, GOUT, NEURALGIA—each and everyone of these complaints—though but a few of the many other diseases, Radway's Sarsaparillian Resolvent has cured and is daily curing in all parts of the world.

parts of the world.
In one word, any disease—no matter under what name designated, that is nourished on increased by bad, impure, deprayed, weak thin, watery or poisoned blood—can be cured by RADWAY'S SARSAPARILLIAN RE-SOLVENT.

Dr. Radway & Co. have never claimed one-hundreth part of the curative virtues for their remedies as is ascribed to them by the people who have used them; for bear in mind, only such discases and complaints as Dr. Radway, after successful treatment with their remedies knew they would cure, were enumerated in their curative list, so that many of the extraor-dinary cases that have been reported awaken-ed as much astonishment in the discovery of their remedial agents as in those who had been rescaed from death, and made whole and sound.

BEVERLY, MASS., July 18, 1869.

DR. RADWAY: I have had Ovarian Tumor in the ovaries and bowels. All the doctors said there was no help for it. I tried everything that was recommended, but nothing helped me. I saw your Resolvent and thought I would try it, but had no faith in it, because I had suffered for 12 years. I took six bottles of the Resolvent, one hox of Radway's Pills, and used two hottles of your Ready Relief, and there is not a sign of a tumor to be seen or felt, and I feel better, smarter and happier than I have for 12 years. The worst tumor was in the left side of the bowels, over the groin. I write this to you for the benefit of others. You can publish it if you choose.

AN IMPORTANT LETTER

AN IMPORTANT LETTER From a prominent gentleman and resident of Cincinnati, Ohio, for the past forty years well known to the newspaper publishers through-out the United States: "I am very proud, to night, mother."

"Proud that you can take care of me?" she said to him with a heart gushing with tenderness.

"This is the first time you have leaned upon me," said the boy.

There will be few hours in that child's life of more exalted pleas are than he enjoyed that evening if he should live to an old age, and should, in his manhood, lovingly provide for her who in his helpless infancy watched over him.
